

Be a BSCAA business partner

What is BSCAA?

The Building Service Contractors Association of Australia (BSCAA) is Australia's peak industry employer organisation for the building service industry. Our Association members throughout Australia are contractors engaged in cleaning, security, facilities and grounds maintenance.

BSCAA provides leadership for members and a range of quality resources. We seek to work with Government and other industry stakeholders to improve the professionalism of the industry and all those that participate within it.

MISSION

To take every opportunity to promote, unite, influence and represent the interests of the building services industry.

VISION

To be the pre-eminent voice of the Building Services Industry in Australia.

CORE VALUES

- ✓ BSCAA is committed to open, transparent, ethical dealings with all members and partners to ensure growth and understanding of the industry.
- ✓ BSCAA is committed to acting and serving the building service industry by being reliable, supportive and professional in all undertakings.
- ✓ Through education and professional advice BSCAA members are critical in maintaining sustainability and the health of the environment.

Industry Partner AustralianSuper

AustralianSuper is the major sponsor of the Building Service Contracts Association and is the default superannuation fund for the Association.

BSCAA Business Partners Membership Opportunity

Membership is available to suppliers of goods and services to the building service industry and is available on a national or state basis.

AustralianSuper Excellence Awards

The AustralianSuper Excellence Awards are the social highlight of the year and are held on an annual basis in NSW, QLD, VIC, TAS and bi-annually in WA. These awards are designed to recognise the outstanding achievements of the men and women of the industry who work largely unseen to maintain the health and well-being of our community. The opportunity to be involved in the AustralianSuper Excellence Awards is open to all member contractors and suppliers.
